Greetings!

Thanksgiving is over and the Christmas and New Year’s holidays are over. I’m beginning the 6th month of being president of the Exchange Northwest District and feeling very thankful for my fellow officers and members of the District Board who have helped me so much to learn about the duties of my position and about the District!

On a recent trip to Hawaii to visit family I attended meetings of both of our Hilo, Hawaii clubs – the Hilo Exchange Club and the Aloha Exchange Club. Both meetings were terrific! The Hilo Exchange Club talked about several upcoming holiday fundraisers featuring local performers. The Aloha Exchange Club had an inspiring award luncheon honoring its police officer of the month, and the club also welcomed a new member.

Both Hilo clubs are relatively small – as are many of our Northwest District clubs – but are active, enthusiastic and productive organizations. Both talked, though, about the importance of recruiting new members and of retaining current members with interesting and valuable projects, meetings and events. Because of their locations – somewhat separated from the rest of the District! – both suggested how useful some online based training on recruitment and retention, leadership and other club issues would be. The District Board discussed the suggestions at its November 2019 meeting, and will be working with Leif Welhaven, Region 2 Vice President from Montana, to put together some “webinar” type online training for all the clubs.

Meanwhile, plans are well underway for our District Convention hosted by the Highline club next May 2020. Look forward to much more information and block off time – the last weekend in May – to attend what promised to be a fun and educational event! I’m planning for more visits to clubs in the next few months and look forward to meeting many more Exchangites! Meanwhile, I wish everyone happy holidays and festive weather!

Yours in Exchange,

Mary Giannini
Northwest District President
District Program of Service Update

Jerry Thompson, VFR

This column tracks the progress of our district clubs toward their National Service Award (NSA). As of this writing none of our eleven clubs have received the award. Only three of our clubs have submitted any Programs of Service (POS) to our National Headquarters. Below are the clubs that are progressing toward the NSA.

Capital City Exchange Club: 4 of 6 POS submitted, two short of the NSA

Salem Exchange Club: 3 of 6 POS submitted, three short of the NSA

Aumsville Exchange Club: 22 POS submitted, only short a CAP program to receive the award.

We encourage each club to register your programs to get credit for the great work you are doing in your community. It is simple: All you need to do is have one of your club officers go on the National website and spend a short time completing a form to register each program.

Club members enjoy being recognized for their hard work and accomplishments. And by adding up all the Program of Service hours, National has information that can be used when seeking grants and other funding.

Club Building Report

New Club Building

Aumsville Update

by Jerry Thompson, VFR

In September 2018, the Salem club and I began exploring an opportunity to build a new club in Aumsville, Oregon. Aumsville is a small community a few miles south of Salem. Its population is less than 4,000 residents. This size town is an uncommon target for a new club.

We found the City had no service clubs. We had a relationship with the City Administrator who was very interested in helping build the club. He told of many community events that need volunteers. His past experience was that many people would volunteer, but not show up. He would like an organized pool of volunteers upon whom he could depend.

We began with an information meeting that was publicized through the City’s monthly newsletter. Members of the Salem club also attended City Council meetings to promote Exchange. They also canvassed the entire business community. Our first meeting had more than a dozen residents. We began meeting monthly for a few months without much success. After the first of the year, we realized a weekly meeting would be required. We met at the Community Center without a meal. We would have eight to ten at a meeting and did not seem to be gaining. We decided to conduct a community event to find more members. We conducted a free bingo party and had good attendance. This event was also promoted in the City’s newsletter. From that event, we netted five additional members. With the National President’s waiver of the twenty required to begin a club, we chartered in April 2019 with fifteen members.

The excitement of the new members is very gratifying. By the end of June, they had already received a National Service Award by helping with many City projects. It is a win-win for Aumsville. Our members are fairly new to the community and Exchange is a way for them to get connected. Also, the community has a reliable source of volunteers. The Club received a formal thank you from the Aumsville City Council at their December meeting.
The meeting was called to order by President Mary Giannini at 7:10 pm.
Harold Wood gave the Invocation

Roll call was taken by Doris Leonard.
The following Board Members were present:
Mary Giannini, District President
Harold Wood, District President Elect
Judi Clark, District Treasurer
Doris Leonard, District Secretary
Russell Hayashi, Director Division 1 and VFR
Jim Beukelman, Director Division 3
Don Tuttle, Director Division 4
Guests were Jerry Thompson and Leif Welhaven, RVP Region 2

Minutes: The September 7, 2019 minutes were approved as distributed.
Treasurer’s Report: Accepted.

Leif Welhaven, Guest Speaker
Mary introduced Leif as our guest speaker. He is a 20-year member of Exchange. His passion is growing Clubs. They started a new club in Cody, Wyoming December 2, 2019. This is the first club in Wyoming, and they are working on a Collegiate Club in Yellowstone. They are currently working on building a club in Vineyard, Utah. In 5 years, the community grew from a population of 5,000 to 15,000. It is a bedroom community of Provo, Utah. There are no clubs in the area yet. Kim Hodges will help build it. They will be hosting the National Convention in Colorado Springs in 2020. Leif will be around to help us with Club Building.
He said they are looking to change the model to make it more attractive to younger members. Leif made changes in his personal and business life to spend more time with Exchange. He has a larger budget because of the expanded area he is now over, because of the District merger. It was asked if Leif has a model plan that he follows. He said to make sure to adjust to the needs of the community and always look to build and grow clubs.

**2020 NW District Convention Follow up:** 2020 will be hosted by Highline on May 29-31, 2020, at Double Tree Suites in Tukwila. Rooms will be $129.00 plus tax. Registration will remain about the same as last year. There will be a hosted Hospitality Suite on Thursday evening. There is discussion about going to the Museum of Flight on Friday and the Convention should end at about 10:00 am on Sunday.

**Upcoming Conventions:** 2021 will be hosted by Salem. They are discussing McMinnville, Lincoln City or Salem. Salem would have more options and possibly attract more people, with easier access. The hotels are more expensive in Salem. Harold was concerned that moving it to Lincoln City would not attract as many members. It was discussed and passed that Salem be a two-day convention again. 2022 will be hosted by Spokane.

**Director Reports**

**RUSSELL HAYASHI - Division 1:** (As submitted by Russell)
The 3 clubs in the Hawaii Division has had a slight decline in membership during the past several years, but continue to do well in serving their communities and have a strong emphasis on growth. **Downtown Honolulu Club** is currently at 50 members. They are working on their PACT project. It is a Phone-A-Thon fundraiser dinner and party for the children in need in their community. It will be held on November 23, 2019 with the theme of “Alice in Wonderland” at the Royal Hawaiian Hotel. They meet weekly and always provide the membership with outstanding speakers. **The Aloha Exchange Club of East Hawaii** has 21 members. They just participated in the Hilo Community Veterans’ Parade by carrying their new 20’ X 30’ American Flag and by passing out smaller flags throughout the parade route. They are also currently planning their Police Officer and Fire Fighter of the Year banquet in March. Other notable projects being worked on are their Prevention of Child Abuse, and Book of Golden Deeds programs. They are working to get their members to commit to attending the 2020 District Convention. **The Hilo Club** is at 15 members. The club is currently working on their Book of Golden Deeds, ACE Awards, Prevention of Child Abuse golf tournament, and their signature project, The Program of Service Luncheon, recognizing various individuals and organizations in their community for their outstanding work. Both the Hilo and Aloha Clubs were honored to have Mary Giannini, NW District President, visit their clubs in September.

**JIM BEUKELMAN – Division 3:** (As submitted by Jim)
Portland: No report at the present time
**Salem Club** just finished their Veterans Matter fundraiser. With the help of donated raffle prizes and Silver Spur donating all their food proceeds, they raised $2000.00 for veterans. In October they took low income kids and their families to the pumpkin patch. There were lesser amounts of attendees this year as was so successful last year. Many of the families went earlier in the month. They will be delivering 30 Thanksgiving food boxes to families of their child abuse prevention project and families of a homeless transition center called Family Promise. They also give to veteran's transition housing and requests through their website

They are starting to prepare for the ACE Award banquet and Ernie Savage Service Award. **Capitol City Club** has signed a contract to do the concessions for all the events at the Polk County Fairgrounds which is 15 miles outside of Salem. This will be used for their club to secure $20,000.00 for their child abuse prevention center. Capitol City will allow the other 2 clubs in the area to do smaller events for fundraising for their individual clubs, namely Salem and Aumsville. **Aumsville Club** helped with the Superhero carnival in Aumsville by handing out prizes at an elementary age activity. They also were a major volunteer contributor to the Corn Festival, and the summer reading program by preparing lunches for approximately 80 students once a week. The club will be providing hot chocolate,
popcorn and cotton candy for the annual Christmas in the Park on December 14. This club will also do their first ACE Award in 2020.

**Klamath Falls Club** is preparing for the annual fundraiser “Sagebrush Rendezvous”. They are transitioning to a participant more than an owner as the club is getting too old to do all the work. They did Give a Kid a Flag to Wave at the Veterans Day parade. They will be starting their ACE Award procedures after the first of the year. This club needs our help to grow it back. Many members are too tired to try to grow the club. Jim will be arranging a Rush party with them, but it will take more than just him to do so.

**DON TUTTLE - Division 4:**

- **Spokane Club** held the 2019 Community Hero Reward.
- **Walla Walla Club** held the All City Golf Tournament and handed out Flags at the Rodeo.
- **Downtown Spokane Club** held the Crab Feed on November 15. It looks like it may have been the best since they started it. Their Treasurer resigned and a new person has taken over and it trying to clean everything up.

**Old Business:** Awards Manual: Don is working on the awards manual. He hopes to finish it by January and have donations for the Youth of the Year and ACE Award in place. He is talking to businesses about donating $1500.00 for each award.

**District Newsletter:** Mary is putting together an article for the Bulletin. We are trying to do one every 4 months. We would like each Club President to request email addresses from the members and turn the list in to the District. They would like to have the information to Sue Thompson by the first week in December.

**New Business:** **The Hilo Club** would like recruitment/retention training. Mary will head this up with Leif’s help.

**District Minimum Standards:** We need to build new clubs, have leadership succession in place, Service to Clubs in the District, and have Directors and other Officers visit the clubs. There is a possibility of merging us with other Districts if we don’t have a growth plan in place. The Salem clubs are working to build a club in Hubbard since there are no other service clubs in the area. They have not found a lot of Community functions to trigger points and needs for the area. Monmouth, Oregon will be the next place they look at once through with the Hubbard Club. They tried to build a club in Eugene, which fell apart with no explanation. We are in need of a road map from National to follow for club building.

**Leif talked about the National Awards Committee.**

Sue Hammill is working on putting together a Convention Manual with Standards for speakers and what is needed at a Convention.

**National Convention:** Will be held July 22-25, 2020 in Colorado Springs. We need to make sure the pins for the convention are handed out to people that are attending.

**Board Calendar:** On March 10, 2020, we will have a phone conference call at 7:00 pm

Having no further business to discuss, the meeting was adjourned at 8:25 pm.

Respectfully Submitted,
Doris Leonard, District Secretary

Aumsville Exchange Club Activities, 2019 - 2020
Focused on supporting City sponsored activities, including:
- Movies in the Park – June 15 – August 10
- Superhero Carnival ((June 29th))
- Lunches for City’s Day Camp every Friday- June 21 – August 2nd
- Corn Festival – August 17 – 18
- Maintained the City’s Give and Take Library by organizing books and keeping order, beginning in August 2019.
- Collection of bottles and cans for members and citizens in general, for recycling and fund raising.
- Veterans Day Event, Sept. 9th, organized by one of our members and supported by eight other members.

Plans for the first six months of 2020:
- Increase membership of the Aumsville Chapter.
- Establish the ACE Awards program with Cascade High School in Aumsville.
- Movies in the Park 2020 season.
- Superhero Carnival June 2020
- Lunches for City’s Day Camp every Friday, 2020 season.
- Corn Festival –
- Maintain the City’s Give and Take Library by organizing books and keeping order

Collect bottles and cans for members and citizens in general, for recycling and fund raising.
Since early in the year, Spokane Downtown Exchange Club has been working on plans for its annual Crab Feed, its 53rd to date. The Crab Feed was held November 15, 2019 and may be the best in the history of Crab Feeds, netting our Foundation over $70,000. And by the end of 2019, the Crab Feed team has already started to work on next year’s Crab Feed, with a date selected of December 4, 2020.

Since July 1, 2019, our current president and president elect, Rick Purcell and Rocky Trepiedi, have organized and programmed our two or three meetings per month. Late summer and early fall focused on programs highlighting issues and candidates for local government and school board elections last October. After the election, there were several other informative programs on topics of local interest, as well as a crab feed debriefing program and a holiday party. The holiday party also was an impromptu setting for a club project to collect toys for the Christmas Toys for Tots charity, as well as food for the local food bank and pet supplies for local animal shelters.

Immediate Past-President and Foundation Board President Melinda Denton has kept contact with The Club’s ACE award winner last year and along with a number of Club members has been helping our young winner manage her way through school and work. We hope to be able to do more in connection with our much appreciated ACE award program.

Our first program of the new year presented by World Relief Spokane, an internationally affiliated group that works in partnership with local churches to assist refugees who are resettling in the Spokane area. Several other programs addressing immigration law and the experiences of refugees are scheduled in coming weeks.

The membership team will be meeting soon to discuss recruitment and continuing efforts to build a new club.

Rick Purcell, President
1. The Exchange Club of Salem partnered with the Silver Spur Western Dance Club for our Veterans Matter Fundraiser. The Silver Spur was very generous and donated all the proceeds from hamburgers that night AND provided some wonderful door prizes. We split the proceeds between the national Veterans Matter program and a local veterans assistance group. Here are some EC Salem members with Silver Spur staff.

2. Every year Exchange Club of Salem member Chuck Zobrist heads up an effort to collect returnable bottles and cans. Then he patiently stands at the return center and feeds them into the slots for money. Being Chuck, he shares a small portion of the bottles with the needy in the area. He helps us host a group of underprivileged kids at the pumpkin patch near Halloween. For many of these kids it’s their first exposure to a farm - and they live in the Willamette Valley. The rest of the money goes to 2 major projects. Pizza and sodas are delivered to veterans in VetCare at New Year’s, Fourth of July, and Veterans Day to recognize their service and support them as they transition from homelessness. The biggest share of the funds go to provide Thanksgiving Dinners for those in need. This year 35 families received a ham and turkey, fresh vegetables, milk, bread, salad mix and pie. Photo above is Chuck’s garage before making deliveries!

3. The Exchange Club of Salem rings the bell for the Salvation Army in December. We take a day and enjoy interacting with our neighbors. We are most fortunate to be on a downtown skybridge out of the weather! Chuck and Ted ringing the bell

1. Information from each club on
   a. What the club has done since June 30th. – We have participated in National Night Out where we provided water to the attendees of the event, we sponsored and helped put on an All City Golf Tournament in which we raised just over 10k for the club, we continue to hold our regular meetings and support as many local events as possible.
   b. What your plans are for the next six months. – In the next 6 months we will be holding our Officer of the Quarter, Youth of the Year, and ACE Award programs. We also plan to hold our annual Easter Egg Hunt at the park. In May we will hold our annual Ducky Derby event in which we typically raise 50k+ to put back into our community!

   Tera Davis
Mahalo to the Exchange Club of Hilo for organizing the Healthy Child Holiday event. It was well-attended. Frank Delima was there. John Stewart had a nice Celebration of life, too.

With the many “helping hands” and “no shame to ask” our tables provided information and fun at the same time.

We provided the supplies for ornament and card making. Mahalo to Lovina for the hand-cutouts.

Two non-profits were “enlisted” to help with the ornament and tag making. It was fun for the kids, adults and the helpers. Even some parents made cards.

Mahalo to Jay Ihara and the Hilo Exchange Club for organizing this event.

Jim Schafer
January 2, 1946 - November 28, 2019

Admired by all who knew him for his deep love and compassion for family and friends Jim had an abiding faith, possessed a quick wit, sarcastic sense of humor and the gift of being a true and loyal friend. He was very generous with his time and resources for a friend or family member in need.

Jim was actively involved in the Highline Exchange Club for 44 years including serving as President in 1978, 2002 and 2008. Treasurer for over 35 years, NW District Director for 10 years and was the longest running member. In 1992 he received the Exchangite of the Year Award, in 2007 the Distinguished Exchangite Award, and in 2019 the distinguished Service Award for lifetime of achievements in Exchange Club.

The family would like to thank our friends and family for their love and support during this difficult time.

Ronald Dane Elsmore
September 29, 1931—August 3, 2019

Ron volunteered with Civil Air Patrol and was a 36-year member of Klamath Falls Exchange Club. Ron enjoyed woodworking, auto repair, boating, road trips, camping, and the wildlife around his home.

In 1952, Ron entered the United States Air Force, beginning air cadet training in March of 1953 at Harlingen Air Force base, Texas. He then advanced to radar observer school at James Connally Air Force base, Waco, Texas, where he received his wings and a commission as a second lieutenant. Following a short tour with the 437th squadron at Otis Air Force base in Barnstable County, Mass, First Lieutenant Elsmore was assigned to Westover Air Force base in Chicopee, Massachusetts.

In 1958 Ron was assigned to Dhahran Airfield, Saudi Arabia for one year. He was then assigned to the elite 13th Fighter Interceptor Squadron at Glasgow, Montana. He was a radar observer, flying in the F-101B Voodoo, a 1,200-mph interceptor. He later had an assignment in Japan and flew missions in East Asia. He transferred to the 322nd Fighter Interceptor Squadron at Kingsley Field, Klamath Falls, Oregon in September 1963. In 1970, was stationed at Mather Air Force base, Sacramento, California, He received an Accounting degree, working as an accountant in the years following.
Exchange Covenant of Service

The Covenant of Service, expressing Exchange’s philosophy and ideals, was written in 1923 by Exchangite Thomas L. Bailey, who served as National President of Exchange from 1925 through 1927, and later served as Governor of Mississippi from 1944 through 1946. The Covenant of Service was officially adopted by the National Exchange Club in 1927.

Accepting the divine privilege of single and collective responsibility as life’s noblest gift, I covenant with my fellow Exchangites:

To consecrate my best energies to the uplifting of Social, Religious, Political and Business ideals;

To discharge the debt I owe to those of high and low estate who have served and sacrificed that the heritage of American citizenship might be mine;

To honor and respect law, to serve my fellowmen, and to uphold the ideals and institutions of my Country;

To implant the life-giving, society-building spirit of Service and Comradeship in my social and business relationships;

To serve in Unity with those seeking better conditions, better understandings, and greater opportunities for all.

SAVE THE DATES! MAY 28 - 31, 2020

Dear Fellow Exchangites

Pack your bags, and book your spot, for an exciting weekend where we plan to celebrate the hard work you do every day for your local community. The Highline Exchange Club would like to invite you to the beautiful Pacific Northwest for fun, learning, and time with fellow Exchange Club members.

The DoubleTree Suites by Hilton Hotel Seattle Airport — Southcenter, 16500 Southcenter Pkwy, Tukwila, WA 98188, Phone 206-575-8220 in the heart of Southcenter. Plan to check-in on Thursday May 28, 2020, then join the fun as we celebrate The Exchange Club in the Hospitality Room beginning that night! We will have wonderful receptions, interesting sessions, spectacular speakers, inspiring presentations, delicious meals, and exciting celebration breakfast planned for this fun-packed weekend!

You could also take the opportunity and extend your time in the Northwest for a fun family vacation. The Seattle area has a million wonderful attractions to visit: Pike Place Market, The Museum of Flight, Mt Rainier and Snoqualmie Falls. There are so many places to see and things to do that the history buff, nature lover, and culinary connoisseur in your family will all have a place they love.

We hope you and your family will be able to attend this great four day event. We will have a website for you to book your room and events. More information will follow.

Let us know if questions or comments.
Thank you for your commitment to The Exchange Club.
Cheers,
The Highline Exchange Club
